

**Name:** DR.H.K.MUNIYELLAPPA,  
**Qualification:** MVSc, Ph.D  
**Designation:** Scientist-3/Associate Professor  
**Place of work:** Poultry Disease Investigation  
Section and CU\_ ADMAS  
IAH&VB, KVAFSU, HEBBAL, BANGALORE -24.  
[hkmuni@gmail.com](mailto:hkmuni@gmail.com), 9448324121

**Professional Experience : 24 years**

**Professional contributions:**

I being specialized in Poultry diseases, serving the poultry industry extensively through the Institute by providing specialized disease diagnostic services (ELISA, Molecular diagnosis and histopathology) to the poultry farmers/poultry breeders/Central and state government organizations.

I have Published 15 research articles in the international and national journals besides several popular articles in the leading magazines.

Presented several lead papers and more than 40 research abstracts in the international and National symposia/conferences including abroad (2102 PSA meeting during 9-12 July at Athens Georgia USA).

I have been involved in monitoring all the imported Great grandparents and grandparent stocks (97 batches; 13,305 samples) and other birds in southern states for AI screening through HSADL Bhopal since 2001.

I am instrumental in changing the National policy on sample collection from the imported Grandparent day old chicks for avian influenza screening. With this, every year rupees 1,119 million and substantial number of employment is being saved to the industry and the nation.

As a resource person delivered talks at state, regional and national level seminars, workshops and training programmes of veterinary and medical professionals.

Participated in several International and national training programmes workshops.

Organized and imparted trainings to veterinarians and para veterinary staff.

Several seminars were organized for the benefit of Poultry breeders, farmers and veterinarians on emerging poultry diseases.

Prepared several brochures and display boards on important poultry and livestock diseases

A project titled “National Poultry health Information System” was prepared and submitted to GOI for approval and implementation.

Serving as an expert committee member in the various committees constituted by GOI/ State Government and Veterinary College.

Served as rapporteur and panel member in several international, regional and national seminars of various professional bodies. Served as member secretary of IAEC and attended several IAEC meetings of scientific institutes.

Affiliated to several professional bodies and social NGO as life member

Served as executive member in different capacities such as secretary, treasurer and president in various associations. Presently serving as Treasurer for IAVP Karnataka Chapter and President KVA IAH&VB Chapter.

## **Veterinary Council of India**

A statutory body established under the provisions of India Veterinary Council Act, 1984. The major objectives of the Council are:-

- To prepare and maintain the Indian Veterinary Practitioners Register.
- To regulate veterinary practice in the country.
- To lay down minimum standards of veterinary education.
- To recommend recognition or withdrawal of recognized veterinary qualifications granted by veterinary institutions in India.
- To lay down the standards of professional conduct, etiquette and code of ethics.
- To negotiate with institutions located in other countries imparting training in veterinary education for recognition of their qualifications on reciprocal basis, and
- To advice both the Central and State government on all regulatory matters concerning veterinary practice and education.

### **My Ideas and vision for the council:**

Given an opportunity to serve the council we shall carry forward all the good works done by the earlier committees and bring in several improvements to the existing mandates in consultations with the state councils, universities and the ICAR institutes including various professional associations and the private organizations.

I wish to set right and streamline the registrations and renewals on regular basis without any lacunae by introducing online registrations.

I wish to have regular fruitful interactions and discussions with all the concerned.

I wish to have regular annual state level, biannual regional level and a national level veterinary congress in the third year.

I wish to introduce Periodical Newsletters on latest trends in diseases, diagnosis prevention and control of livestock and poultry diseases

I wish to have online voting system for the council

I wish to have the printed handbooks on IVC Act, regulations, amendments etc

**APPEAL:** I appeal to all my teachers, professional colleagues, friends and well wishers to extend valuable support and cooperation by casting vote to me (SL. No. 24) in VCI 2014 Election and also encourage others to extend their valuable support.

Yours truly

DR. H.K. MUNYELLAPPA
